

TOGAF® BUSINESS ARCHITECTURE L1

INTRODUCTION

The TOGAF Standard is the most prominent and reliable Enterprise Architecture standard, ensuring consistent standards, methods, and communication among Enterprise Architecture professionals. Those professionals who are fluent in the TOGAF approach enjoy greater industry credibility, job effectiveness, and career opportunities. The TOGAF approach helps practitioners avoid being locked into proprietary methods, utilize resources more efficiently and effectively, and realize a greater ROI. TOGAF Standard, 10th Edition is divided into the TOGAF Fundamental Content and the TOGAF Series Guides; the TOGAF Fundamental Content provides the core concepts and practices, and the TOGAF Series Guides advise on configuration of the Fundamental Content.
